Dear Sir,

**THANK YOU-EAGLES MANAGEMENT CONSULTANTS**

We write to thank you for conducting a team building activity and motivational talk for our company on 1<sup>st</sup> November 2014 at Golden Palm Hotel, Kenol. You managed the 80 people so easily.

You managed to handle both activities with ease and professionalism. The out door activities were well coordinated and theme oriented, capturing the core gist of the function with fun and clear demonstrations. You understood our *cuttings* business and could relate easily with workers, touching on their daily engagement at work place. Through out the activities, your team maintained energy, good explanations and relating the activities to the real life work environment. This has boosted the productivity and morale of our workers drastically, since then

Your level of professionalism, competence and humour sustaining is unmatched. You have a unique way of presentation and we are confident you can handle even larger groups than the 80 people.

I would not hesitate to confidently recommend Eagles management consultants to any organization that wants to undertake a robust team building/motivational talk activity. We look forward to doing business with you in future

You have what it takes!

Thanking you,
